

Excursions

Are you not Cyclist?... Participate at the party you too, we bring you us!

Every member of the Cycling Week, can register an accompanying person, to excursions with reduced 50% rate (reduction not valid for visiting the caves of Onferno).

Every morning starting at 9.30 am.

3rd edition "Excursions and guided tours to the villages, boroughs and castles"

A program for companions, wives and ladies and for all tourists on Easter holidays who do not participate in the cycling.

Every morning, after the departure of the cyclists, a shuttle bus reaches and waits for the cyclists in the village where they will make a stop. There will be a gourmet tasting of typical products. The program also includes a cultural and historical visit to the place and its landscape, which will end with refreshments, at the arrival of cyclists, around 11.00. After the group of cyclists is restarted, participants will complete the excursion and then return to Gabicce Mare to wait for the arrival of cyclists.
